

Skillizen Olympiad Foundation, Singapore Presents

A Harvard University Alumnus Initiative

Respected Principal,

As your school is well known for developing the future citizens of 21st century, we are glad to introduce to you the world's 1st set of Olympiads on Critical Life Skills, brought to you by Skillizen Olympiad Foundation, to **assess the LifeSkills Index of students from class III-XII.**

As per research done by our founder at Harvard University in 2011, Critical Life Skills are the most important factors to attain success in the 21st century. That is the philosophy of our mission to make the world's 1st online diagnostic tests on a wide range of Critical Life Skills.

The Year 2020 Schedule for the online Olympiads of Skillizen Olympiad Foundation

Name of the Olympiad	Date of Olympiad	*Regn. Fees (\$7.99)
International Ethics & Values Olympiad	28 th Jan 2021	Rs. 580/-
International Economics Skills Olympiad	29 th Jan 2021	Rs. 580/-
International Leadership Skills Olympiad	30 th Jan 2021	Rs. 580/-
International Life Skills Olympiad	31 st Jan 2021	Rs. 580/-

*The actual fees may slightly vary based on the exchange rate at the point of registration.

Olympiads test time : 9:30 am to 9:30 pm India Local time.

The Ultimate Reward is to know where your student stands in the world!

Besides grand prizes like branded laptops, tablets, Amazon Kindle, and global recognition, the ultimate reward of participating in these Olympiads is a **personalized and insightful Life Skills Index Report** that tells students about their Life Skills quotient and the real-world skill gaps.

Last year, students from over 72 countries and 3000+ progressive schools (including leading schools from India like Delhi Public School, Narayana e techno School, DAV Public school, Takshila Inter College and Amity International School), participated in the Life Skills Olympiad and this year registrations for above Olympiads have started pouring in from across the world.

We strongly believe that the participation in such Olympiads will trigger young students to appreciate and acquire critical life skills. Please find attached a letter and brochure for parents, which can be directly circulated among parents thereby encouraging them to register online.
