Olympiads test time: IST 9:30 Hrs to 21:30 Hrs.

Over the last 5 years, students of 3000+ progressive schools from 70+ countries, have participated in the Life Skills Olympiads and this year parents are even more enthusiastic after the pandemic to register their children for the above 4 Olympiads.

We strongly believe that participation in the entire range of Life Skills Olympiads will work as a trigger for your children to appreciate and acquire critical life skills. Please find attached a detailed brochure for your reference. Please note that these Olympiads will be held online over weekends, hence it will offer great convenience to students all over the world, for participating in this global test from home. The registration fee per Olympiad of US\$7.99 or equivalent in your currency includes unlimited access to online Skills Guide, Real-Life Scenario Bank, and Mock Tests.

The Ultimate Reward is getting to know where your child stands in the world!

*Winner of Life Skills Olympiad will get a free air ticket to visit **Harvard University** runner-up and second runner-up will get prizes like laptops, tablets, and global recognition, the ultimate reward of participating in these Olympiads is a personalized and insightful Life Skills Index report that will enlighten the children about their current real-world skill gaps. Every Participant will also be receiving a certificate and a guaranteed prize of 1years newsworm subscription worth US\$10/-

If you would like to have more information about registering your children, please do visit www.lifeskillsolympiad.org, email to lokesh@lifeskillsolympiad.org, or call +91- 8750679770.

Happy Skilling,
